In News Media , *Indian Express*, Jun 06 2020

- This Instagram filter created by students of Amity University is a hat tip to frontline workers, In a bid to raise awareness and pay tribute to doctors and nurses, students developed a filter that has gone viral.
- The campaign is called **I Salute** and BSc student **Puneet Baviskar** is the brainchild behind it.

VOLUNTEER EXPERIENCE

Head Of Digital Marketing committee(Aminova'20)

Amity University Mumbai

Dates volunteered Jan 2020 – Feb 2020 Volunteer duration 2 mos

Aminova is a college fest organized by Amity University, Mumbai. Students from various institutions attend and participate in different events and activities held. I designed the Instagram AR filter for the Aminova's official page which was successfully approved by Facebook's sparkAR community. I was also responsible for digital marketing on all social media platforms by working under certain guidelines. a team of the content writers , graphic designers and creative content curators worked under my guidelines as a volunteer for the digital marketing committee.

OTHER / HOBBIES

Fashion modeling, Film making, Playing Hockey, learning new things from different cultures.
